RE: CERTIFICATION VALIDITY EXTENSION

Dear Monique Claverie,

Standard	Certificate Number
FOREST STEWARDSHIP COUNCIL - CHAIN OF CUSTODY STANDARD	CERT-0126079

Under the provision of IAF ID 3 Management of Extraordinary Events or Circumstances Affecting ABs, CABs, and Certified Organizations, SAI Global is writing to you to inform you that the validity of your certification has been extended to **September 20, 2021**.

The validity extension is based on the current extraordinary events related to COVID-19. A valid certificate with new expiry date based upon the original expiry date can only be issued dependent on the following.

The extended expiry date of 12 months requires a surveillance audit to be conducted to maintain the certificate valid. Then, before the end of the 12 months mark, an on-site, re-certification audit must be performed.

During this validity extension period, there will be no change to the expiry date of your certificate or the lifecycle of the certification.

Should re-certification activities not be performed within the permissible timeframes, your certificate will be deemed as expired and the certification process will need to be recommenced.

Yours sincerely,

Global Head of Technical Services
SAI Global Pty Limited
